***Message to the person serving as a reference:***

The applicant wishes to participate in the Hawai'i Green Collar institute (HGCI), a partnership between the Mālama Learning Center and Leeward Community College's Hālau 'Ike O Pu'uloa (Native Hawaiian Student Support Program). Over the course of five days, the HGCI will expose Leeward O'ahu's high school students to environmental and climate change issues in their communities and will inspire them to pursue a career in Hawai'i's emerging "green collar" economy. The experience will include exposure to guest speakers, fieldtrips, and hands-on work in environmental activities. The focus of this session is on the **Wai'anae Wetland and Watershed**.

Please appraise the applicant in regard to their participation in this program. Feel free to be candid, as your responses will be kept **confidential**. Please do not complete this form if you are a family member. Please submit your form directly by email to [chelsey@malamalearningcenter.org](mailto:chelsey@malamalearningcenter.org) or by mail at Mālama Learning Center (HGCI), PO Box 75467, Kapolei, HI 96707.
